- When gotchas are awarded, the reason why the student received the gotcha will now be announced with their name.

## 7. Treasurer's Report - Tarra Stumpf (delivered by Beth)

Balance \$5323.35

- Beth and Jenn were able to get a more accurate picture of how much we have in our account
- this number includes Fresh From The Farm
- there is such a backlog in board reporting, a side tallying on our part would be helpful - movie night \$181 (\$156 to Laura Secord chocolates)
- popcorn machine was fixed and is now working - Thanks Brandon

## 8. Sub-Committee Reports

- WRAPC Meeting Report - Tarra Stumpf
- Fundraising - Karina
- next fundraiser will be Read-A-Thon, tentatively will be in the weeks leading up to March Break. Help will be needed for this, if interested reach out to Karina. Possibly a book donation and sell night. Beth will reach out to Diane about the possibility of a Scholastic book fair.
- Playground enhancement - Outdoor play equipment
- Bethany will send out a list of missing outdoor items, a staff member will need to be assigned to liaise with Bethany to get items listed and delivered to classes. More
responsibility to be put in before items can be sent out, if something is taken out it needs to come back in.

## - Communications

- would be helpful if we fundraise for a digital sign, then we can get more messages out - look into cost for future meetings - important to highlight upcoming PD days for families, by adding to school calendar or providing reminder on School Day
- Grants
- By-laws/mission/vision statements
- Beth to get some examples from other schools, will start off with discussion during council meetings and then shift to a smaller group discussion

## 9. New Business

- exploring to offer volunteer opportunities
- can we have high school students pre-register with us so we know who we can call upon when we have events - 2 ways would be either we go through guidance counsellors in schools or we go through our school community and put out a letter if any former students need hours to reach out to Beth.
- Fun Fair: high volunteer involvement, tentative date?
- caution needs to be practised as there is a huge need for people power in this and staff may not be in a position to volunteer, and council numbers are small.
- best practice would be to start planning in the fall for a large year end event.
- idea of an outdoor movie night instead with some outdoor activities, instead of a fun fair.

## 10. Discussion Items

- Movie night - possibly April 20 before the PD date, or Thursday before Good Friday
- New Kirk costume - Beth will look into Procurement to see where we should start as we look into a new costume.

Tentative dates for future meetings: February 22, April 26, May 31

Meeting adjourned : 7:38pm
